“The Crimeware Battle – is there a better way?” SentryBay presents at Amsterdam Screen Event

As a Silver Sponsor for this year’s prestigious Screen Event in Amsterdam, SentryBay will be presenting an educational and challenging session entitled – “The Crimeware Battle – is there a better way?”

We will also have stand 3.06 at the event, showcasing our new PhishLock anti-phishing technology, the latest developments within our world-leading EntryProtect Data Protection solution and our innovative authentication and identity management solutions.

Established in 1992, Screen Events are full-day conferences and exhibitions in key financial centres around the world. The Amsterdam Screen Event will take place Thursday 25 September 2008 at the NH Grand Hotel Krasnapolsky, Dam 9 in Amsterdam. [More info >>>](#)
